

At Restaurant Evett, we take pride in every facet of your dining experience. Central to this experience is the creation of joyful memories with friends and loved ones through wine.

This list is more than just a collection of bottles. Many of these rare and precious wines have been cellared directly by the Evett team for many decades, and are unattainable in the local market. We stand by their provenance, and the gastronomical delight they offer. We have curated both breadth and depth across the list to provide you with unique options and hidden gems for every visit.

We would like to thank our committed suppliers, and most importantly, the winemakers, for helping us to assemble this exceptional selection that showcases their life's deepest work.

Please join us in this journey through the world of wine and as you explore our offerings. Our beverage team would be honored to guide you along this journey.
